

## Program Contributions

In order to maintain a quality vocal music program, it is necessary to receive financial contributions each year to offset the many expenses incurred through general operations. The following is a summary of the amount that your student will cost the choir program this year. Making a payment towards your "Program Contributions" allows the program to function. Please do your part by making a payment or fundraising to offset these expenses. **See the Marina Vocal Music Payment Sheet for details (separate form).**

The Program Contributions include but are not limited to:

- Staff: Piano accompanist for daily rehearsals/performances, Assistant Director, Administrative Assistant, Audio/Video Editor, guest speakers and professional instrumentalists as needed
- Student software subscriptions
- Sheet music purchases for each choir
- Equipment repair and replacement
- Insurance

## **Fundraising**

Various fundraisers will be offered throughout the school year to assist the Marina Vocal Arts Booster Clubs general fund and student's individual accounts. Fundraised money will be held by the MVABC under your students name.

Profits applied to individual student's accounts will reduce the amounts requested for program expenses. Student account money cannot be used for any other reason. If there are remaining funds in a student's account at the end of the year, it will carry forward to the next year. If a student will not be returning to choir (graduating, expulsion, transfer, etc.), any remaining funds are donated to the MVABC general fund. If a student needs to take a year off from choir due to their schedule being impacted, contact Mr. Graham about holding student account funds until the next school year. If the student has a younger sibling who will be in choir the following year, funds may be transferred to the sibling's account. Refunding or cashing out funds jeopardizes the not-for-profit status of the MVABC and is therefore, not allowed.

Fundraisers that we will run this year will include: Cookie Dough, See's Candy, Popcorn, Restaurants, Benefit Mobile, and SnapRaise! online fundraising
